

The Changemaker Training program gives participants the tools they need to make change in themselves, their relationships, their team and community. The training is supportive, highly interactive and adapts to the needs of participants, using their own real world examples. It helps them put into practice what they learn through their own 'action learning project' - which can be anything from improving personal communication skills through to getting funding for a community project.

Dates	Theme	Learning objectives	Activities
South 1: 11 April N/NE: 16 May NW: 23 May South 2: 30 May N/NW: 6 June	Day 1: Individual	Participants will come out knowing themselves better.
