

Let's talk about saving lives

suicideTALK

Suicide is preventable. Anyone can make a difference

During this 90 minute discussion we will:

- Build awareness and reduce stigma around the topic of suicide
- Help you to feel more comfortable about appropriate open discussion of suicide
- Help people take the first steps towards suicide prevention

What people are saying about SuicideTALK ...

"yes - a gentle way to discuss the topic"

"yes - a gentle way to discuss the topic"

"a great way to start the conversation..."
